Fresh fruit from Peru

Export and brokerage of avocado, mango, grapes and mandarins for importers and distributors, with offices in Peru and the United States.

Avocado · Mango · Grapes · Mandarins

Lima · Huaral · New Jersey

Who we are

Campo Export Fruits brings fresh Peruvian fruit to importers and distributors in any country, with experience and clients in Asia. We work with growers in 8 areas of Peru, based in Huaral, where our office and collection centre are. We work with partner packing houses in Huaral that hold GLOBALG.A.P. certification.

Fresh fruit export and brokerage

We connect Peruvian growers with buyers around the world.

Export

For importers and receivers

We source Peruvian fruit that meets export standards and ship it to our network of importers and receivers abroad.

Brokerage

For growers and packers

We connect your production with importers and receivers abroad: we introduce you to buyers in our network and support the negotiation through to closing the deal.

Who is behind it

Andrés Orbegozo Téllez, CEO, has worked in fruit exports since 2017, connecting Peruvian fruit with buyers in Europe, Asia and the Americas.

From Peruvian fields to your port

How we handle every order, in 5 steps.

1

Tell us what you need

Fruit, variety, size, quantity and port of destination. We reply by WhatsApp or email.

2

Sourcing at origin

We source the fruit from growers across our 8 growing areas in Peru, to match your order.

3

Quote and agreement

We send you our proposal and agree the terms of the deal together.

4

Packing and shipping

The fruit is packed by our partner packing houses that hold GLOBALG.A.P. certification and ships from Peru to your port.

5

Follow-up to final destination

We coordinate with you from our offices in Peru and the United States until the cargo reaches its final destination, whether a market, a warehouse or a processing plant.
